Participants now have the opportunity to register for these workshops on-line. This is the safest and most preferred method. They can go directly to <http://reach.usiouxfalls.edu> and search for “ACDA” and a listing of the recently approved workshops will be displayed. The registration deadline is listed above. Payment must be made by credit or debit card.

For those registering by check or cash, participants can download the off-campus registration form from <http://reach.usiouxfalls.edu> (found under Policies & Information) and submit to me by the date specified above. The cost per credit hour for an off-campus graduate workshop through the University of Sioux Falls is \$45.

If you have any questions, feel free to contact me. Thank you for your continued partnership with USF.

Sincerely,
Stacy
