A Quality CD Recording

You have the opportunity to order a quality Compact Disk (CD) of your groups performance. The concert will be recorded and mastered digitally. The jacket and tray-card will be in full color and include information about the performance, a listing of your directors, and a bio on the guest conductor (if applicable). This will be a recording you will cherish for many years. Order extra for friends and family!

To order, simply fill out the bottom form. Be sure to complete all the information, including total number of CD's ordered, your name, and the school you attend. Please make checks to LJS Sound Productions. Price includes tax and handling.
