SATB Part Divisi Notes

Let Everything that Hath Breath:

- Sopranos with a + take the upper pitches at m. 63-67

Legatum:

- Sopranos with a + take the upper pitches when the line divides. For the final note we will need very few on the top note. Sopranos with a +, only a few of you may be asked to pop up to the highest note. Plan to sustain the same note unless told otherwise. If you have a consistently glorious, confident, in tune high A, be ready if needed for the high note at the end.
- Altos with a + take the upper pitches when the line divides.
- Tenors with a + take the upper pitches when the line divides. For final note, pick one, but be ready to switch as needed to balance the chord.
- Basses, for the final note, pick a note, but be ready to switch as needed to balance the chord.

Solos for all songs:

Eventually there will be a link for those interested in the solos to pre-record their solo audition in advance of the event.
